TO WHOM IT MAY CONCERN

Dear Sir/Madam

REFERENCE LETTER

It is my pleasure to recommend the services of Geo Pest to you. Geo Pest provides well trained staff at competitive rates. They provide a professional service, are always punctual, reliable and attend to every detail.

We have used the services of other pest control providers in the past, however Geo Pest have raised the bar. We would be hard pressed to consider any other company for our pest control needs.

I am happy to recommend the services of Geo Pest.
