20 January 2021

To whom it may concern,

I've recently appointed Geo Pest as our service provider. I haven't been this happy with a service provider in ages and I'm very glad that I made the decision to move my business. Geo Pest have gone above and beyond to address my needs and have exceeded every expectation. Very fast and effective service have been given and I'm sure it's the start of a long and happy relationship!

Kindest Regards

Natasha Geyer

Food Hygiene and Safety Manager
