To Whom It May Concern

**Letter of Recommendation**

It is with much enthusiasm that I am writing to recommend the services of Geo Pest, Pest Elimination services.

I've been using Geo Pest to keep our premises pest free, since October 2020, and have always been completely satisfied with their performance.

The services covered are for cockroaches, rats, mice and flies. They do an excellent job, are always punctual and offer the most competitive rates in town.

We have also hired them to service our delivery vehicles on a quarterly basis and feedback from the fleet is that the vehicles are cockroach free.

I am happy to recommend the services of Geo Pest. If you have any questions, feel free to contact me.

Sincerely

*Kind regards*
