To whom it may concern,

I am delighted to recommend the services of Geo Pest. They have delivered exemplary service to our company with regards to not only their service plan, but also their attitude in helping us achieve a safe Pest control program.

They helped us develop our Pest control program to suit our FSSC 22000 standards with regards to filing and advised us on how to manage until we were ready for formal training. During our time with them, they have demonstrated excellent communication and action plans for our pest management.

I strongly recommend Geo Pest for your Pest control programs.

Feel free to contact me for more information.

Sincerely,

Elizabeth Hanekom
